EDUCATION

University of North Carolina at Chapel Hill, Chapel Hill NC	Current
Doctorate in Geography Focus Area: Human health impacts of multi-hazard events	
Appalachian State University, Boone NC	Graduation: May 2023
Masters in Geography Thesis: <i>Greenspace and adolescent mental health: understanding greenspace metrics and socio-demographic effect modifiers</i>	
University of Vermont, Burlington VT	Graduation: May 2018
Bachelors in Geography, Minor in Geology; Cum Laude Thesis: <i>Quantifying stream phosphorus dynamics and total suspended sediment export in forested watersheds in Vermont</i>	
The School for Field Studies, Costa Rica	Fall 2016
Study Abroad	
Community College of Vermont	Spring & Summer 2020
Continuing Education	

RESEARCH INTERESTS

Health Geography; Mental health; Spatiotemporal analysis; Spatial data analysis; Greenspace; Climate change and health; GIS

RELATED EXPERIENCE

Climate and Health Fellow, National Academy of Sciences Engineering and Medicine	Boone NC, Present
Funded on National Academy of Sciences Engineering and Medicine to investigate the mental health impacts of multi-hazard events among youth and young people in Louisiana; Dataset preparation; Collaborate with students, faculty and community partners; Prepare, submit and revise analyses for manuscripts and presentations	
Graduate Assistant, University of North Carolina at Chapel Hill	Chapel Hill, NC Present
Funded on National Institute of Health K-award to conduct analyses regarding pharmacy closures and health outcomes; collaborate with fellow students and faculty members; Prepare, submit, and revise research analyses for grant submissions and publications	
Researcher, Appalachian State University	Boone, NC 2023-Present
Funded on National Institute of Environmental Health Sciences, National Institute of Health, National Science Foundation and American Foundation for Suicide Prevention grants; analyze and manage large health datasets; plan and prepare manuscripts; mentor undergraduate student researchers	
Lecturer, Appalachian State University	Boone, NC 2023-24
Teach introductory human and physical geography courses; plan and prepare syllabi and coursework; manage TAs; mentor undergraduate students	
Graduate Student Researcher, Appalachian State University	Boone, NC 2021-23
Conduct large scale analyses regarding the geography of mental health; collaborate with fellow students and faculty members; Prepare, submit, and revise research analyses for publication; mentor undergraduate students within the research group	
AmeriCorps Educator, Teton Science Schools	Jackson WY, 2019

Instruct 1st-12th graders in STEM literacy, leadership, and connection to place; develop curriculum for the Youth Conservation Leadership Institute; lesson plan and instruct with other educators

Undergraduate Researcher, University of Vermont

Burlington VT, 2017-18

Conduct field and lab research on water chemistry; primary undergraduate researcher leading fellow undergraduates in field and lab work; present research at geoscience conferences

Teaching Assistant, University of Vermont

Burlington VT, 2017

Plan and hold review sessions; meet with students during office hours; grade assignments

Undergraduate Researcher, National Science Foundation at The Pennsylvania State University

State College PA, 2016

Conduct research regarding stream water chemistry; collaborate with other students and faculty mentors; develop field and lab research skills; present research at water research conference

8. **Ryan S.C.**, Sugg, M.M. and J.D. Runkle (April 2022). "Greenspace and mental health in rural and urban neighborhoods in North Carolina". NC BREATHE Conference – *Invited Student Speaker*.
9. **Ryan, S.C.**, Wemple, B., Ross, D. (2018). Quantifying stream phosphorus dynamics and total suspended sediment export in forested watersheds in Vermont. *Geol. Soc. Amer. Abs. Prog.* 50. doi: 10.1130/abs/2018NE-311131. *Poster Presentation* 10.

Ryan, S.C., Hoagland, B., Russo, T., Kim, H., Brantley, S. (2016). Temporal variability in the water chemistry of a first order stream. CUAHSI Biennial Symposium, National Conservation Training Center. *Poster Presentation*

INVITED TALKS

PEW Charitable Trust: Western North Carolina Flood Resilience Symposium – <i>Invited Speaker</i>	2023
University of Vermont: Intro to GIS – <i>Invited Guest Speaker</i>	2022
Appalachian State University: Global Health and Disease – <i>Student Panelist</i>	2022
Appalachian State University Cratis D. Williams School of Graduate Studies – <i>Student Panelist</i>	2022

AWARDS & FELLOWSHIPS

Best Graduate Thesis, Science and Technology, Cratis D. Williams Graduate School Appalachian State University	2023
Domer Research Award, Cratis D. Williams Graduate School Appalachian State University	2023
Chancellor Fellowship Recipient, Cratis D. Williams Graduate School Appalachian State University	2021-23
Diversity Fellowship Recipient, Cratis D. Williams Graduate School, Appalachian State University	2022
North Carolina Tuition Stipend Recipient, Appalachian State University	2022-23
Outstanding Geography Graduate Student, Appalachian State University	May 2023
Outstanding Senior Award – University of Vermont Geography Department Award for Academic Excellence	May 2018
Member of Gamma Theta Upsilon Geographical Honors Society	2017-Present

GRANTS

National Hazard Center, Special Call for Health Outcomes and Climate-Related Disaster Research, Primary Investigator <i>Mental Health of Community Volunteers in the Aftermath of Hurricane Helene.</i> Funded, \$50,000	2025
National Institute of Environmental Health Sciences R-21, Co-Investigator <i>Greenspaces and High Temperatures: Exploring Neighborhood Disparities, Usage Patterns, and Health Impacts.</i> Not Funded, \$275,000	2024-26
Appalachian State University RIEEE CONCERT Grant \$5,000	2023-24
National Science Foundation – Human-Environment and Geographical Sciences Grant \$6,000	2022-23
Appalachian State Student and Faculty Excellence Grant \$400, \$200	2022-23
Appalachian State Graduate Student Government Association Grant \$500	2021
Gamma Theta Upsilon Travel Grant \$250	2021
University of Vermont Travel Grant \$500	2016

COURSES

Introduction to Geosystems: An introductory physical geography course covering atmospheric systems, weather systems, climate systems and landscape formation *Fall 2023 & Spring 2024*

Human Geography and Social Justice: An introductory human geography course covering a wide suite of topics related to human geography, including medial geography, population geography, religious geographies, among others. I have taught this course asynchronous online and in-person *Fall 2023 & Spring 2024*

Global Change in the Biosphere: A lab-based course introducing students to research and fieldwork in Geography *Spring 2024*

PEER-REVIEW

Environmental Research, GeoHealth, Health & Place, Journal of Adolescent Health, Environment and Behavior, Landscape and Urban Planning, Public Health, Social Science and Medicine, Journal of Appalachian Health

ADDITIONAL SKILLS

Microsoft, Google, and Adobe suites; QGIS, ArcGIS Desktop and ArcGIS Pro; RStudio, SPSS, GeoDa and SaTScan; Experience coding in CSS, HTML and JavaScript; Bilingual: English and Spanish
